

Sierra 48 | 60 | 72

Built-In

The Sierra linear electric fireplace is a sophisticated and versatile addition to any room, seamlessly blending with a variety of decor styles. Its adaptable design allows for multiple installation options—mount it in-wall, on-wall, or enjoy it as a freestanding unit. The interchangeable fuel bed and diverse illumination settings enable you to transform any space, offering both traditional and contemporary aesthetics with just a touch of a button.

With the Sierra electric fire, creating a warm and inviting atmosphere is as easy as pressing a button. Experience the perfect blend of elegance and functionality, making every moment at home more enjoyable and cosier.

- **Flexible installation** - whether you prefer a sleek in-wall look, a striking on-wall display, or the convenience of a freestanding setup, the Sierra fireplace adapts to your space effortlessly.
- **Interchangeable fuel bed** - customise the look with a variety of fuel bed options, from classic logs to modern crystals or pebbles, perfectly complementing your style.
- **Illumination settings** - choose from multiple lighting options to create the perfect ambience, from a warm, cosy glow to a vibrant, modern flair.
- **Tabletop installation** - included feet allow for easy tabletop setup, adding versatility to your placement choices.
- **Authentic sound effects** - enhance your experience with the soothing crackle of a natural wood fire, providing a more immersive and comforting atmosphere.
- **Smart connectivity** - control your fireplace from your smartphone with the Tuya Smart App via Bluetooth.

Experience Better Living
