

Stockbridge

230V/50Hz | 200 Watt

Experience Better Living

Freestanding

A timeless combination in itself: a traditionally shaped and robust freestanding fireplace which offers you all the benefits of a modern electric fire. Stare into the playful 3-dimensional flames of the Optimyst® fire and feel the cosy warmth from its built in electric heater.

- Authentic look of cast iron stove with a metal housing
- Decorative glass doors that can be opened
- Metal sheet mirror back panel for a more intensive flame picture
- Rotary thermostat for temperature control

One-sided decorative fireplace.

Optimyst flame technology, flame patterns by cold water vapour.

Surprising by the floating flame and smoke effect and variable flame intensity.

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

Powerful fan-assisted heating by safe element that provides additional heating on demand.

Control all functions of the fireplace from the comfort of your chair.

Fireplace can also be operated via button display on the fireplace.

Easy to connect to a standard socket for instant atmosphere.
